Education in the Netherlands is characterized by division: education is oriented toward the needs and background of the pupil. Education is divided over schools for different age groups, some of which are divided in streams for different educational levels. Schools are furthermore divided in public, special (religious), and general-special (neutral) schools, although there are also a few ...

A Rationale of the Outline Scheme of Work for Key Stage 3. A rationale of the outline scheme of work for Key Stage 3 Planning is a key part of teaching. Without a coherent plan lessons may lack structure and direction. Long and medium term planning are an important part of this and in this rationale I hope to demonstrate that my planning does indeed have all of these qualities.
