2015 Meetings. 56th International Conference for the Bioscience of Lipids (ICBL 2015) September 22-26. Puerto Iguazú, Argentina. 23rd Congress of the International Union for Biochemistry and Molecular Biology (IUBMB) and 44th Annual Meeting of the Brazilian Society for Biochemistry and Molecular Biology - SBBq.

Panamerican Association for Biochemistry and Molecular Biology

Welcome to IUBMB. The International Union of Biochemistry and Molecular Biology - founded in 1955 - unites biochemists and molecular biologists in 75 countries that belong to the Union as an Adhering Body or Associate Adhering Body represented by a biochemical society, a national research council or an academy of sciences.

Biochemistry and Molecular Biology, International Union

The Biochemistry Unit covers basic chemistry, metabolism, enzymes, energy and catalysis, large molecules, photosynthesis, molecular structure, pH and pKa, clinical correlates of pH. Problem sets and tutorials contained in this unit are: Chemistry of Life, Energy Reactions and Molecular Visualization Activities. The Biology Project, an interactive online resource for learning biology developed ...

The impact of scientific advances on our everyday lives is difficult to ignore. Whether it is the discovery of a novel disease, a new understanding of molecules that contribute to a known disease, or an innovative technology to treat these diseases, biochemistry and molecular biology have contributed greatly to the ways we maintain our health and view the environment around us.

International Journal of Biochemistry and Molecular Biology is an open access journal for biochemistry and molecular biology and relevant fields such as cell biology.

International Journal of Biochemistry and Molecular ...

Biochemistry and molecular biology are fast-moving fields that underpin all life sciences and play a central role in many areas of economic, medical, agricultural importance to modern society. The ASBMB exists to facilitate both research, training and education in these fields across Australia, organise conferences, fund activities at a regional level, play a role ...
