Both pairs of mittens: I wrote this pattern for some new knitters on the Internet email group Fibernet who expressed an interest in making mittens. Additional directions for the two-end mittens pictured here are below. I recommend doing a pair or two with nothing fancier than plain stockinette, maybe with stripes, the first time.

Knitting is a method by which yarn is manipulated to create a textile or fabric, often used in many types of garments. Knitting creates multiple loops of yarn, called stitches, in a line or tube. Knitting has multiple active stitches on the needle at one time. Knitted fabric consists of a number of consecutive rows of intermeshing of loops.

Baby's First DNA Model. This is a knitted model of DNA, complete with GC/TA base pairs represented by orange-green bars with a pointed join and blue-yellow bars with a stepped join (because there weren't enough stitches to make a wave or curve), replicating the standard simplified DNA model. As you can see from the pictures, it also makes a good toy insofar as it holds its shape while squished ...

The Rosewood massacre was a racially motivated massacre of black people and destruction of a black town that took place during the first week of January 1923 in rural Levy County, Florida. At least six black people and two white people were killed, though eyewitness accounts suggested a higher death toll of 27 to 150. The town of Rosewood was destroyed, in what contemporary news reports ...
