

Early Cartography Of The Pacific

Early Cartography Of The Pacific

Cartography, or mapmaking, has been an integral part of human history for millions of years. From cave paintings to ancient maps of Babylon, Greece, and Asia, through the Age of Discovery, and on into the 21st century, people have created and used maps as essential tools to help them define, explain, and navigate their way through the world. Maps began as two-dimensional drawings but can also ...
