Patch 5.0 for Pillars of Eternity 2 - gamepressure.com

Walkthrough in Pillars of Eternity 2: Deadfire is covered on this page. In the first PoE game, you ruled a castle named Caed Nua. However, when Eothas, god of light, awakened at the beginning of PoE 2, your castle was destroyed. You can import your save from PoE, if you don't have a save.

Walkthrough | Pillars of Eternity 2 Wiki

Oh, so many wrongs, i can tell you. Trying to apply the enhanced ui changes via code does not work for the languages i do not speak, because half of the time the translated string is from an very early development version, which did not have the Affliction and Inspiration system, and the other half use totally different words that are not the keywords therefor.
