The breakup of the Bell System was mandated on January 8, 1982, by an agreed consent decree providing that AT&T Corporation would, as had been initially proposed by AT&T, relinquish control of the Bell Operating Companies that had provided local telephone service in the United States and Canada up until that point. This effectively took the monopoly that was the Bell System and split it into ...

The Breakup of Yugoslavia occurred as a result of a series of political upheavals and conflicts during the early 1990s. After a period of political and economic crisis in the 1980s, constituent republics of the Socialist Federal Republic of Yugoslavia split apart, but the unresolved issues caused bitter inter-ethnic Yugoslav wars. The wars primarily affected Bosnia and Herzegovina, neighbouring ...

This schism of the fourteenth and fifteenth centuries differs in all points from the Eastern Schism. The latter was a real revolt against the supreme authority of the Church, fomented by the ambition of the patriarchs of Constantinople, favoured by the Greek emperors, supported by the Byzantine clergy and people, and lasting nine centuries. The Western Schism was only a temporary ...

Breakups are emotional roller coasters. Actually that's not true. If a breakup was anything like a roller coaster the end would be visible from the start, you could say 'no thanks' to the ride and at the end of it, for a hefty sum the memory could be savoured forever with a flimsy cardboard-framed photo.
