The key ingredient to watch out for in cheese is animal rennet. Food labelling laws in the UK mean that labels do not always require processing agents to be listed, of which animal rennet is one.

### **Cheese | The Vegetarian Society**

We believe in a truly connected workplace that unleashes the potential of your business. Current technology is distracting with all its complexity in the way you safely access and find information, connect with people, and where and when you work.. Simplifying complexity can be overwhelming, frustrating, and challenging to know where to start.
