River of Mountains: A Canoe Journey Down the Hudson (Revised) Lourie completed his trip. It took him three weeks and marked the first time anyone has traveled from the source of the Hudson to the mouth in a single vessel. The Hudson proved to be a very changeable river. It includes seven locks and nine power dams. Lourie completed his trip.

When Lewis and Clark reached the Continental Divide, they expected to find a river that would allow them to paddle easily to the Pacific Ocean. What they saw instead were the Rocky Mountains. That's the type of challenge facing church leaders today -- so daunting, so new and so unexpected that the old solutions won't work, says Tod Bolsinger, the vice president and chief of
