Sierra Maestra is a mountain range that runs westward across the south of the old Oriente Province in southeast Cuba, rising abruptly from the coast. The Sierra Maestra itself is located mainly in Santiago de Cuba Province and in Granma Province. Some view it as a series of connecting ranges (Vela, Santa Catalina, Quemado Grande, Daña Mariana), which joins with others extending to the west.

Sheltering Liberation: A Short History of Maroon Settlements

Artistic propaganda like this promoted the national project of manifest destiny. Columbia, the female figure of America, leads Americans into the West and into the future by carrying the values of republicanism (as seen through her Roman garb) and progress (shown through the inclusion of technological innovations like the telegraph) and clearing native peoples and animals, seen being pushed ...
