Reader's Digest is an American general-interest family magazine, published ten times a year. Formerly based in Chappaqua, New York, it is now headquartered in Midtown Manhattan. The magazine was founded in 1922, by DeWitt Wallace and Lila Bell Wallace. For many years, Reader's Digest was the best-selling consumer magazine in the United States; it lost the distinction in 2009 to Better Homes and ...

A card reader is a data input device that reads data from a card-shaped storage medium. The first were punched card readers, which read the paper or cardboard punched cards that were used during the first several decades of the computer industry to store information and programs for computer systems. Modern card readers are electronic devices that can read plastic cards embedded with either a ...

Did you know that learning to read is a challenge for almost 40 percent of kids? The good news is that with early help, most reading problems can be prevented. The bad news is that nearly half of all parents who notice their child having trouble wait a year or more before getting help. Unfortunately, the older a child is, the more difficult it is to teach him or her to read.
