Some Trails Never End

Some planes in the sky leave trails that persist and spread, and other planes, in the same sky, leave short-lived trails, or no trails at all. These trails are actually called contrails, short for "condensation trails". They are not smoke from the engines, they are formed when the water in jet engine exhaust (and there's quite a lot of it, like car exhaust on a cold day) mixes with wet ...

Why do some planes leave long trails, but others don't ...

Highlands Ranch, Colo. • Nearly 2,000 people turned out Wednesday for a memorial service to honor the Colorado teenager who was killed while charging one of the two gunmen who opened fire inside a high school and shot nine people just days before graduation. A line of Jeeps and trucks stretched along a Highlands Ranch roadway ahead of the service for Kendrick Castillo, 18, who was a Jeep and ...
