### **Statelessness: The Enigma of the International Community ...**

Description : This book poses the enigma of a widespread absence of membership in an international community claiming universal standards for all natural persons. After identifying profound legal, social, and economic consequences of the enigma, the book critically evaluates the traditional efforts to recognize and reduce statelessness.

### **Statelessness | Download eBook PDF/EPUB**

'Statelessness' is a legal status denoting lack of any nationality, a status whereby the otherwise normal link between an individual and a state is absent (Conklin, 2014) With this seemingly cinch introductory statement, William Conklin, in his monograph *Statelessness: The Enigma of an International Community*, opens
