Executive Summary. The Tax Foundation's State Business Tax Climate Index enables business leaders, government policymakers, and taxpayers to gauge how their states' tax systems compare. While there are many ways to show how much is collected in taxes by state governments, the Index is designed to show how well states structure their tax systems and provides a road map for improvement.

Just a heads up that the fourth edition of Taxation of Intellectual Property is now available from Bloomsbury Publishing - I will be adding updates here as they arise, cross-referenced to the book (inevitably, 'stuff' has changed in IP tax in the fairly short time since the proofs were done!). I've spotted some snafus with updating (changes not coming through in some paragraphs) and ...

A tax haven is defined as a country or place with very low "effective" rates of taxation for foreign investors ("headline" rates may be higher). In some traditional definitions, a tax haven also offers financial secrecy. However, while countries with high levels of secrecy but also high rates of taxation (e.g. the United States and Germany in the Financial Secrecy Index ("FSI") rankings), can ...
