Do Asian American artists, entertainers, and filmmakers have an obligation to portray the Asian American community in a positive light? The eagerly anticipated film Better Luck Tomorrow is the first all Asian-American movie to be widely distributed by a major studio in a long time. At the same time, it is surrounded in controversy over its portrayal of many segments of Asian American culture.

Netflix announces 10 new original movies with Karan Johar ...

While certain 90-minute turkeys might feel like they run for 24 hours, there are indeed actual films that hit that length; experimental works usually exhibited only in art galleries or at avant-garde film festivals. Few (if any) have ever been screened for the public at large. For example, the 2012 Swedish film Logistics has a running time of 35 days and 17 hours — it's hard to see it ...
