### **The Child's Child A Novel**

The Child's Child is an enormously clever, brilliantly constructed novel-within-a-novel about family, betrayal, and disgrace. A master of psychological suspense, Ruth Rendell, in her newest work under the pseudonym Barbara Vine, takes us where violence and social taboos collide.

A novel by Ruth Rendell (or her literary alter ego, Barbara Vine) is like none other. Not only do her plots take the reader one place, then move in totally unpredicted directions, but her form can vary from traditional narration, as in "The Child's Child," a novel within a novel in which fiction ...
