Year 2013 - Island Life: Bay Area News &Views Since 1998

As 2015 draws to an end I am looking back on an extraordinary year indeed. I will reflect on that in more detail in my next post but one of the more intense experiences of the past year surely must be my three and a half week on the Greek Island of Kos, assisting fellow humans in search of a future free from repression.

One manner in which to examine the deterioration of Gustav Von Aschenbach in Thomas Mann's Death in Venice is through the conflict of the Dionysian versus the Apollonian. Nietzsche first coined these terms in his work, The Birth of a Tragedy (Taylor). In Greek mythology, Dionysus is the God of the Earth and Apollo the God of the Sun. Therefore, the Apollonian elements are those such as form ...
