The Practical Guide to Biking in the City. Biking through a city scares a lot of people. Perhaps it's the lack of safe cul de sacs, or maybe just the idea of cars whizzing by and crushing you into pulp. Urban cycling sounds terrifying, but it's not as complicated or dangerous as it seems.

The Practical Guide to Biking in the City - Lifehacker

and improving bicycle and transit integration (bike parking, bikes-on-board capacity) is essential to getting transit customers out of their cars and on a bicycle for the first or last mile of travel. Bicycle and transit integration strategies are context-driven based on the dynamic needs of individual communities.

A Practical Guide to Bicycle Touring in Korea. Hi, I'm one of the cycle mania in Korea. Thx for inviting my own country cause It shows how many places and roads are prepared on the bike riders. The hill Climb course in the seoul - middle of the country - and the so many touring trails are ready for whole kinds of people in this world.

A Practical Guide to Bicycle Touring in ... - Worldbiking.info

Its really just not practical to stop at every stop sign and if this law was actually enforced there would probably a lot less people biking. Stop signs are one of the more tricky things to deal with while on a bicycle and I will be devoting many posts covering the various scenarios, but as a general rule, if you see you are free and clear, proceed with caution.
