This is so freaking funny; a cow comes to the man and falls on his body to do some romance and enjoy the lovely evening with a handsome man. This Is What Happens When A Cow Falls In Love For A Man

This Is What Happens When A Cow Falls In Love For A Man

In the history of art, the cow is a dominate symbol that is often associated with sex, fertility, gender. Not nearly as romantic as horses, assorted birds or other animals, the humble cow tends to be overlooked by some. When I teach art history, I include the timeline of sexy cows as an example of how one symbol changes visually over time and place, yet retains it's core meaning.

Travel Darlings was the single point of contact for all things related to resort bookings, concessions, and airport transfers for our guests who were traveling from near and far. They did all the ground work for our contracts with multiple vendors with the resort so that I, as the bride, could focus on everything else related to our wedding.

The Cow Palace (originally the California State Livestock Pavilion) is an indoor arena located in Daly City, California, situated on the city's northern border with neighboring San Francisco. Because the border passes through the property, a portion of the upper parking lot is actually in the City and County of San Francisco.

The Marina District is located on the far north end of San Francisco proper, facing the Bay, the Golden Gate Bridge, Marin County, and Alcatraz Island. I've always enjoyed my visits to this neighborhood, but, like every other neighborhood, it's not without its flaws. The Marina is aptly named because it's home to two yacht harbors.
