The Wrath Of Hurricane Katrina

Many representatives of the news media reporting on the aftermath of Hurricane Katrina became directly involved in the unfolding events, instead of simply reporting. Due to the loss of most means of communication, such as land-based and cellular telephone systems, field reporters in many cases became conduits for information between victims and authorities.

Last night, I headed to my glorious @57thstreetbooks to spend the book money my parents had given to me for my birthday! Of course, I managed to go at least one book over... but I regret nothing with this book haul. I picked up (finally!) the anxiety #ownvoices rep We Are Okay, and the glorious Heidi Heilig's The Girl From Everywhere. I picked up two Rebecca Solnit's, and the short story ...
